Purchase Order Terms and Conditions

The following terms and conditions (collectively, the “Terms and Conditions”) shall apply to the purchase of Goods and/or Services (as defined in the Terms and Conditions) by Leading Edge Pharms, Inc and any of its subsidiaries or legal affiliates, each a Leading Edge Pharms group company (“Leading Edge Pharms”) from the seller of such Goods and/or Services (the “Vendor”). If Leading Edge Pharms is purchasing both Goods and Services from the Vendor, each set of Terms and Conditions shall apply to the respective deliverables.

The Terms and Conditions **shall not apply** if Leading Edge Pharms and Vendor have or enter into a written agreement for the purchase of Goods and/or Services. If Leading Edge Pharms and Vendor have or enter into written agreement, the provisions of that agreement will control and the Terms and Conditions set forth below shall not apply.

Subject to the foregoing:

Terms and Conditions Applicable to the Purchase of Services

The following terms and conditions (collectively, the “Terms and Conditions”) shall apply to the purchase of Services (as defined below) by Leading Edge Pharms, Inc. and any of its subsidiaries or legal affiliates, each a Leading Edge Pharms group company (“Leading Edge Pharms”) from the seller of such Services (the “Vendor”) unless Leading Edge Pharms and Vendor have or enter into a written agreement for the purchase of Services. If Leading Edge Pharms and Vendor have or enter into a written agreement, the provisions of that agreement will control and the Terms and Conditions set forth below shall not apply.

- 1. General.** These Terms and Conditions (including any documents that are attached or incorporated by reference) contain the entire agreement of the parties and shall govern the purchase of Services (as defined below) set forth on the Purchase Order issued by Leading Edge Pharms to Vendor. These Terms and Conditions supersede any prior written or oral agreements. No course of dealing or usage of trade shall vary these Terms and Conditions. Any of Leading Edge Pharms’ subsidiaries or legal affiliates may use these Terms and Conditions to acquire Services. These Terms and Conditions expressly limit Vendor’s acceptance to the terms set forth herein. Vendor may provide an Order Acknowledgment to confirm its acceptance of or a Notice of Rejection to decline these Terms and Conditions as presented. In this regard, time is of the essence.
- 2. Description of Services.** Vendor shall provide the services described in the Purchase Order issued by Leading Edge Pharms (the “Services”). To the extent the Services result in any documents, work product or other materials delivered to Leading Edge Pharms under these Terms and Conditions or prepared by or on behalf of the Vendor in the course of performing Services (collectively, the “Deliverables”), Vendor shall timely perform and provide all Services and Deliverables as described in these Terms and Conditions and any written instructions of Leading Edge Pharms.
- 3. Relationship.** The relationship between the parties is that of independent contractors. Nothing contained in these Terms and Conditions shall be construed as creating any agency, partnership, joint

venture or other form of joint enterprise, employment or relationship between the parties, and neither shall have the authority to bind the other in any manner whatsoever.

4. **Term/Termination.** These Terms and Conditions shall be effective upon the date of the Purchase Order (the "Effective Date") and continue until the Services are completed, unless terminated as provided below. In the event these Terms and Conditions are terminated, Leading Edge Pharms' sole obligation to Vendor shall be to pay to Vendor any fees for Services completed and then properly due and owing to Vendor. These Terms and Conditions may be terminated under the following conditions:

a) Leading Edge Pharms may terminate these Terms and Conditions immediately upon written notice to Vendor if the related clinical trial has been terminated or suspended by the applicable sponsor; or

b) Leading Edge Pharms may terminate these Terms and Conditions without cause at any time during the term of these Terms and Conditions by giving thirty (30) days' prior written notice to Vendor.

5. **Vendor's Obligations.** Vendor shall:

a) Maintain all necessary licenses and consents and comply with all relevant laws applicable to the Services.

b) Maintain complete and accurate records relating to the provision of the Services. During the term of these Terms and Conditions and for a period of one (1) year thereafter, upon Leading Edge Pharms' written request, Vendor shall allow Leading Edge Pharms to inspect such records and audit Vendor in connection with the provision of the Services.

c) Obtain Leading Edge Pharms' written consent prior to subcontracting any portion of the Services. In the event Leading Edge Pharms approves participation of a subcontractor (a "Permitted Subcontractor"), Vendor shall enter into an agreement with the Permitted Subcontractor that contains Terms and Conditions substantially similar to those set forth herein. Vendor shall remain fully responsible for the performance of Services by a subcontractor as if it had performed the Services itself.

6. **Intellectual Property.** All intellectual property rights, including copyrights, patents, patent disclosures and inventions (whether patentable or not), trademarks service marks, trade secrets, know-how and other confidential information, trade dress, trade names, logos, corporate names and domain names, together with all of the goodwill associated therewith, derivative works and all other rights (collectively, "Intellectual Property Rights") in and to all Deliverables shall be owned exclusively by Leading Edge Pharms or its designee. Vendor hereby irrevocably assigns and shall cause Vendor's personnel or Permitted Subcontractors to irrevocably assign to Leading Edge Pharms or its designee, in each case all right, title and interest throughout the world in and to the Deliverables, including all Intellectual Property Rights therein.

7. **Representations and Warranties.** Vendor represents and warrants to Leading Edge Pharms that:

a) It shall perform the Services using personnel of required skill, experience and qualifications and in a professional and workmanlike manner in accordance with best industry standards for similar services and shall devote adequate resources to meet its obligations under these Terms and Conditions.

- b) It shall perform the Services in compliance with all applicable laws.
- c) Leading Edge Pharms will receive good title to all Deliverables to the extent the Services entail creation of Deliverables.
- d) None of the Services, Deliverables and Leading Edge Pharms' use thereof infringe or will infringe any Intellectual Property Rights of any third party.
- e) The Services and Deliverables will be in conformity in all respects with all requirements or specifications stated by Leading Edge Pharms.

8. **Invoices.** Vendor shall invoice Leading Edge Pharms on a monthly basis for the Services performed. The total amount paid to Vendor shall not exceed the amount specified in the Purchase Order without the prior written approval of Leading Edge Pharms.

9. **Payment.** Payment of undisputed Vendor invoices will be due sixty (60) days from receipt of invoice by Leading Edge Pharms. Leading Edge Pharms reserves the right to decline payment for any invoice received by Leading Edge Pharms more than sixty (60) days after the invoiced Services were performed or Deliverables were delivered. Payments shall be invoiced and made in the currency set forth in the Purchase Order.

10. **Taxes.** Leading Edge Pharms shall pay applicable taxes and like governmental charges (VAT) associated with the Services, provided such taxes are set forth in the Purchase Order and/or invoice.

11. **Insurance.** Vendor represents and warrants that it has adequate insurance coverage to perform the Services.

12. **Confidentiality.** All documents and information furnished or provided access to Vendor by Leading Edge Pharms, or prepared by Vendor in connection with the Services (including all Deliverables) to be provided hereunder ("Information") shall remain the property of Leading Edge Pharms or its designee, as appropriate, and the original and all copies thereof shall be promptly returned to Leading Edge Pharms or its designees without request in good order upon termination or expiration of these Terms and Conditions, or at any other time upon the request of Leading Edge Pharms. Vendor shall not copy or use the Information except for the sole purpose of providing the Services hereunder, and all such Information shall be treated as strictly confidential during the term of these Terms and Conditions and after its expiration or termination. Vendor shall take all steps that are necessary to prevent disclosure of such Information to others. This obligation of confidentiality shall not apply to Information which the receiving party can (i) demonstrate by written records was known to the receiving party prior to the date of disclosure hereunder; or, (ii) which is now, or becomes in the future, public knowledge other than by a breach of these Terms and Conditions by the receiving party; and, (iii) which is lawfully obtained by the receiving party from a source independent of the disclosing party; or (iv) which is disclosed by the disclosing party to any third party on a non-confidential basis. Vendor will require each person it retains to perform the Services for Leading Edge Pharms under these Terms and Conditions to comply in writing with Vendor's confidentiality obligations.

13. **Release of Information.** Vendor shall not disclose publicly or advertise the existence of these Terms and Conditions or Vendor's association with Leading Edge Pharms or use the name Leading Edge Pharms without the prior written authorization of Leading Edge Pharms. Vendor shall also hold in confidence the

nature of the Services to be provided. Neither Leading Edge Pharms nor Vendor shall have authority to make any statement, representation, or commitment of any kind or take any action binding upon the other without the other's written authorization.

14. Compliance with Laws and Regulations. Vendor shall comply with all written instructions of Leading Edge Pharms, all relevant professional standards, and all applicable laws, rules and regulations. To the extent applicable, Vendor shall comply with any applicable validated methodology, generally accepted professional standards of care, including without limitation the International Conference on Harmonization ("ICH"), the Guidelines for Good Clinical Practices ("GCP"), the Medicines and Healthcare Products Regulatory Agency ("MHRA"), and in accordance with standard human clinical trial practices. Vendor will also comply to the extent applicable with the United States Federal anti-kickback statute (42 U.S.C. § 1320a-7b), and the related safe harbor regulations. Should any such government regulatory requirements be changed, each party will make best efforts to satisfy the new requirements. Notwithstanding anything to the contrary and without limiting any other remedies at law or equity, Leading Edge Pharms may, at Leading Edge Pharms' sole discretion, immediately terminate or suspend the Purchase Order and these Terms and Conditions for any reasonably suspected or actual violation of any applicable anti-bribery and anti-corruption laws.

15. Indemnification by Vendor. Vendor shall indemnify, defend, and hold Leading Edge Pharms, its affiliates and its and their respective directors, officers, contractors, agents and employees harmless from and against any and all losses, costs, claims, actions, suits, and liabilities, including, reasonable attorney's fees ("Losses") to the extent that such Losses arise out of or relate to: (1) the Services or Deliverables; (2) the negligence or reckless or willful act or omission of Vendor, its affiliates, agents, contractors, servants, and/or its employees; (3) any material breach of these Terms and Conditions by Vendor, its affiliates, agents, contractors, servants, and/or its employees; or (4) any claim that any of the Services or Deliverables infringes or misappropriates any Intellectual property Right of a third party. Vendor's obligation of indemnification shall not extend to Losses that arise from: (a) the negligence or reckless or willful act or omission of Leading Edge Pharms, its affiliates, agents, servants, and/or its employees; or (b) any material breach of these Terms and Conditions by Leading Edge Pharms, its affiliates, agents, servants, and employees.

16. Limitation of Liability. Neither party shall be responsible for indirect, incidental, consequential, or special damages (including loss of profits, use, data or other economic advantage), even if notified in advance. Leading Edge Pharms' total liability shall be limited to the value of the PURCHASE ORDER.

17. Survival and Severability. Any terms set forth herein which by their nature extend beyond the expiration or termination of these Terms and Conditions shall remain in effect until fulfilled and shall bind the parties and their legal representatives, successors and assigns. If any of these Terms and Conditions is declared unlawful or unenforceable by a court of competent jurisdiction, the remainder of these Terms and Conditions shall remain in full force and effect.

18. Force Majeure. Neither party will be responsible to perform under these Terms and Conditions for acts of God, natural disasters, or other similar causes beyond its reasonable control. Leading Edge Pharms

may, however, terminate these Terms and Conditions if Vendor's inability to perform extends for more than fifteen (15) days.

19. **Governing Law.** These Terms and Conditions shall be governed by the laws of Nevada.
